

German-Podcast.de - 001 – Begrüssung (Greetings)

Welcome to German-Podcast.de. This Podcast will teach you German. Lesson one starts with no requirements on your part. This is an easy lesson that is intended to get you (and me) started. Future lessons will elaborate on this.

See <http://german-podcast.blogspot.com> for the corresponding Webpage.

We will start with “hello”: Hallo.

Hallo

(hello)

Mein Name ist Stephan.

(my name is Stephan)

Und wie heisst Du?

(and what is your name?)

Hallo, mein Name ist Stephan und wie heisst Du?

Guten Morgen

(good morning)

Guten Abend

(good evening)

Guten Tag

(how do you do)

Guten Tag, mein Name ist Stephan.

Guten Morgen, mein Name ist Stephan.

Guten Abend, wie heisst Du?

Auf Wiedersehen

(good bye)

The picture shows part of the old town of my home town Lüneburg. The red bricks are very typical in northern Germany.
