

German-Podcast.de - 010 – Zusammenfassung

Welcome to German-Podcast.de. The Podcast to learn German.

The number 10 should be reason enough to take a short look back to where we come from, where we are at the moment and to take a look forward to where we go. No new words today, just some exercises to repeat old words.

See <http://german-podcast.blogspot.com> for the corresponding Webpage.
